

Lilium Announces Launch of Offering of Class A Shares

July 13, 2023

MUNICH, Germany, July 13, 2023 (GLOBE NEWSWIRE) -- Lilium N.V. (Nasdaq: LILM) ("Lilium" or the "Company"), developer of the first all-electric vertical take-off and landing jet, announced today that it has launched an underwritten public offering of the Company's Class A ordinary shares (the "Shares"), as well as a concurrent private placement offering of Shares and warrants to purchase Shares led by Earlybird Venture Capital and including BIT Capital, UVC Partners and Frank Thelen, as well as multiple Lilium Board members and senior executives (the "PIPE"). In addition, pursuant to the purchase agreement dated May 1, 2023 between the Company and Aceville Pte. Limited, an affiliate of Tencent Holdings Limited ("Aceville"), Aceville will fund an additional \$75.0 million to partially prepay against the total exercise price of the warrants issued under such agreement, assuming that the underwritten public offering and the concurrent PIPE generate at least \$75.0 million of gross proceeds.

In connection with the underwritten public offering, the Company expects to grant to the underwriter an option to purchase up to 15% additional Shares sold in the underwritten public offering during the 30 days after the offering prices, solely to cover over-allotments. B. Riley Securities is serving as the sole bookrunner and underwriter for the offering. The Company intends to use the net proceeds from the offering for general corporate purposes. The offering is subject to market, regulatory and other conditions and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

The Shares in the underwritten public offering are being offered pursuant to a shelf registration statement on Form F-3 (File No. 333-267719) previously filed with the U.S. Securities and Exchange Commission (the "SEC"), which the SEC declared effective on October 12, 2022. A preliminary prospectus supplement related to the underwritten public offering will be filed with the SEC, will form a part of the effective registration statement, and will be available on the SEC's website located at <http://www.sec.gov> or may be obtained from B. Riley Securities, Attention: Prospectus Department, 1300 North 17th Street, Suite 1300, Arlington, Virginia 22209; Telephone: (703) 312-9580, or by emailing prospectuses@brileyfin.com.

In connection with the concurrent PIPE, the Company entered into a securities purchase agreement with a number of investors led by Earlybird Venture Capital and including BIT Capital, UVC Partners and Frank Thelen, as well as multiple Lilium Board members and senior executives for the purchase of Shares for \$1.30 per share and warrants to purchase Shares at an exercise price of \$2.00 per share. Each warrant will be immediately exercisable for one quarter of one Share, with only whole Shares issuable upon exercise. The warrants will expire 18 months from the date of issuance. The securities purchase agreement contains customary registration rights. B. Riley Securities is serving as the sole placement agent for the PIPE.

The underwritten public offering is not conditioned on the closing of the PIPE, but the closing of the PIPE is conditioned on the Company becoming party to binding agreements with respect to the issuance of Shares and/or warrants to purchase Shares with aggregate gross proceeds of at least \$75.0 million. The securities sold in the PIPE will be subject to a 90-day lockup and are being issued pursuant to the exemptions provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and Regulation S, have not been registered under the Securities Act or any state or other applicable jurisdiction's securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state or other jurisdiction's securities laws.

This press release does not constitute an offer to sell nor a solicitation of an offer to buy, nor shall there be any sale of the Shares or warrants in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
